

Important Notice to Jurors Regarding Jury Payments

All payments to jurors for their Jury Service will be via U.S. Treasury Check and issued by the Kansas City disbursing office. All checks will state "U.S. Treasury, Kansas City, MO" at the top, and will be mailed in a U.S. Treasury envelope with limited information regarding the purpose of the payment located at the bottom of the check. The District Court Clerk's Office will make every attempt to provide disbursement information to jurors through supplied jury materials.

If you receive a treasury payment and require additional information, please contact the Jury Information Line at 612-664-5100.
