

## Linking Your eVoucher Account to Your Login.gov Account WITHOUT Your SLP Email Address

If you already have a Login.gov account, you must link it to your eVoucher Single Login Profile (SLP) account to sign in to eVoucher. **Note:** Skip to step 4 if you have already signed in to Login.gov.

### Step 1

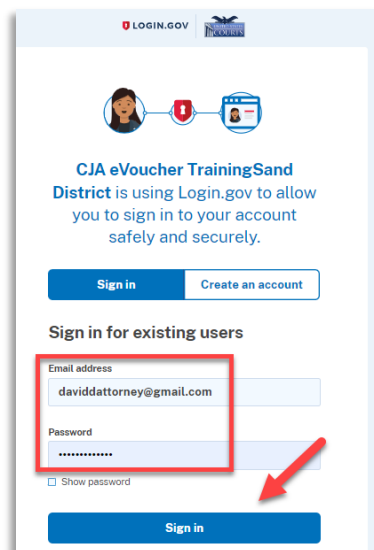

From your court's eVoucher sign in page, click **Sign in with LOGIN.GOV**.

### Step 2

You are taken to the Login.gov website, where you can sign in or create an account. If you have not created your Login.gov account, review the Creating a Login.gov Account job aid before continuing.

The website defaults to the sign in view. In the **Email address** field, enter the email address used to create your Login.gov account, and then in the **Password** field, enter your password. Click **Sign in**.

## Step 3

In the **One-time code** field, enter the one-time code sent to your device using your chosen authentication method, and then click **Submit**.

**Enter your one-time code**

## Step 4

Next, you are asked to connect, or link, your Login.gov account with your eVoucher account. It is recommended that you add a second multi-factor authentication method if you haven't already. To do this, follow the instructions to add the second method, and then click **Agree and continue**.

**Connect your verified information to CJA eVoucher TrainingSand District**

CJA eVoucher TrainingSand District needs to know who you are to connect your account. We'll share this information with CJA eVoucher TrainingSand District:

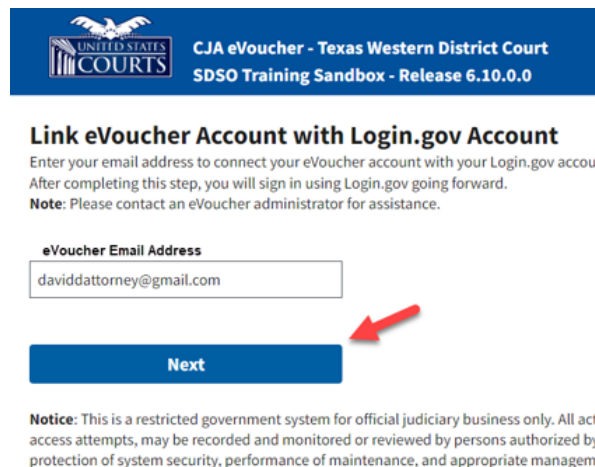

**Email address**  
davidattorney210+f@gmail.com

**⚠ Add a second authentication method.** You will have to delete your account and start over if you lose your only authentication method.

**Agree and continue**

**Step 5**

Login.gov directs you back to your court’s eVoucher sign in page. Note that the **eVoucher Email Address** field is now pre-populated with your email address. Click **Next**.

**Note:** If your Login.gov email address is different than your SLP email address, an error message appears, prompting you to contact your court’s help desk. If you do this, your court then sends you an email message with a link that you can click to automatically connect your two accounts.

If you had to stop the process and/or close your browser, you are required to sign in to Login.gov again.

Step 6

If your accounts are successfully linked, a success message appears at the top of your eVoucher home page. Continue to use eVoucher normally.
